27                  On March 4, 2022, the Court appointed Russell M. Aoki of Aoki Law PLLC, as  
28                  Coordinating Discovery Attorney (CDA) in the above-captioned matters. As part of those  
orders, the Court directed the CDA to provide monthly status reports:

29                  The Coordinating Discovery Attorney shall also provide this Court with monthly *ex*  
30                  *parte* status reports depicting the status of work and whether that work remains  
31                  within the budget of any funds authorized by the Court, with the copy provided to  
32                  defense counsel.

33                  The remaining events are sentencing hearings. Discovery has been produced by the

Government. There are no expenses for the CDA to monitor. Accordingly, the Court modifies its previous orders:

- The CDA is relieved of the duty of filing further monthly *ex parte* status reports.
- The CDA will file a status report if the Government produces additional discovery.

**SO ORDERED.**

DATED this 12 day of May, 2023.
